

## Abuse cases involving registered domain names

In case of an abuse or illegal activity involving a domain name sponsored by the registrar Deutsche Telekom AG, you can contact us as described below.

Law enforcement, consumer protection and quasi-governmental authorities may contact our Abuse-Team via E-Mail or telephone.

Phone number: +49 180 5212095

Mail: [sece.leitstellenservice@telekom.de](mailto:sece.leitstellenservice@telekom.de)

Reports will be handled on a 24X7 basis. In some cases we might ask you for additional documents – e.g. log files – in order to handle your case swiftly. Your report will be tracked using our internal ticket system.

If you are not a public authority, you still can report an abuse or illegal activity involving a domain name. Please send us an e-mail to the following address:
